

Exercises/ Homework:

Make this a web page, using HTML and CSS in JSBin; Style and color, however you like.

Make the title of the web page in the users browser-window appear as "Tapenade".

Tapenade (Olive Spread) This is the first heading

paragraph

This is a really simple dish to prepare and it's always a big hit at parties. My father recommends:

make this a block quote:

"Make this the night before so that the flavors have time to blend. Just bring it up to room temperature before you serve it. In the winter, try serving it warm."
